

Subject Line: Announcement of the new Strata Management Company for Huntly Wynd

Council has now completed the last phase of the selection process. The full Council interviewed the three finalists on May 2, 2018 and are unanimous in its selection of REMI (Real Estate Management & Investment) with its Head Office in Langley, British Columbia.

Each of the three Strata Management Companies had extensive site visits, initial interviews and background checks before their final interviews by the entire Council.

Mr. Wayne Cau, President of REMI, recommended Mr. Rick Dean to be Huntly Wynd's Property Manager, given his twenty-One (21) years of experience in the Property Management field and the fact that he lives in the Fraserview area of Vancouver-close proximity to Huntly Wynd.

Council had an opportunity to meet Mr. Cau and Mr. Dean to ask a series specific questions related to strata property management.

REMI will assume the responsibilities of managing Huntly Wynd effective June 1st, 2018. In preparation for the transition from The Wynford Group to REMI owners will receive a letter from REMI detailing the actions that owners need to take regarding the payment of strata fees and requesting emergency contact information.

If you have any questions about the transition please contact a member of Council until Mr. Dean's full contact information can be provided.

On behalf of your Strata Council.
