

Special Invitation to all Residents

Remember the fabulous weather, great food and fellowship that we all enjoyed at last year's anniversary celebration? Well, the 40th anniversary is in the past but the memories of that fabulous day linger on and we plan to do it all over again!

Come join your neighbours at this year's summer barbecue & potluck dinner on Saturday, July 7th, 2018 starting at 5:00pm in the Huntly Lodge lounge.

To share with others, bring your choice of an appetizer, salad, vegetable dish, dessert or the makings of that secret family recipe you have hidden away. And, be sure to bring beef, chicken, fish or some other barbecue favorite for your own consumption. Plates, napkins and dinner rolls will be supplied but you will need cutlery, drinks and stemware for yourselves.

Before the night is over and the last candle burns itself out, some lucky ticket holder will go home with half the pot from a 50/50 draw. A \$5.00 "investment" will give you 12 chances to win, \$25.00 will get you 60 and \$50.00 will net you 120 chances at winning half the pot. So, bring your wallet, think **BIG** and buy even more if you wish! Net proceeds will go toward funding an equally fabulous seasonal celebration in mid-December.

Everyone is welcome and we hope to see you there!
